PROFESSIONAL SUMMARY

Final-year B.E. Artificial Intelligence and Data Science student with a strong foundation in programming, data science, and web technologies. Passionate about building intelligent solutions and data-driven applications. Founder & COO of JUNO Robotics, where I combine technical expertise and leadership to deliver innovative robotics and AI solutions. Eager to contribute to challenging projects and grow in a dynamic environment.

PROJECTS

JUNO Website Development

Designed and developed the official JUNO Robotics website to showcase products, services, and learning resources.

- Built a responsive, user-friendly website using HTML, CSS, JavaScript, and React.
- Integrated product catalog, SEO optimization, and fast loading components.
- Deployed and maintained the website using Vercel.

3D Developer Portfolio

Designed and developed a 3D interactive portfolio website to showcase projects and skills.

- Built using React, Three.js, and modern UI/UX principles.
- Fully responsive and optimized for performance.
- Deployed using Vercel.

Exploratory Data Analysis Dashboard

Performed in-depth EDA on datasets to uncover trends and insights.

- Used Pandas, NumPy, Matplotlib, and Seaborn for analysis and visualization.
- Identified patterns, correlations, and key business insights.
- Presented insights in an interactive dashboard.

EXPERIENCE

Co-Founder & COO

2024 - Present

JUNO Robotics

- Leading the development of robotics and AI-powered solutions.
- Managing operations, product development, and strategic partnerships.
- Building an e-commerce platform for robotics components and STEM kits.
- Mentoring students and promoting STEM education.

Data Science Intern

2024

Training Tains, Erode

- Developed predictive models to analyze and visualize key business metrics.
- Collaborated with team to improve ML algorithms for data processing and feature extraction.
- Analyzed large datasets to derive insights and support data-driven decisions.

EDUCATION

B.E. Artificial Intelligence and Data Science

2023 - 2027

Dr. Mahalingam College of Engineering and Technology, Anna University
CGPA: 7.33 / 10

Higher Secondary Certificate (HSC)

2023

Vani Vidyalaya Matriculation Higher Secondary School, Uppupalayam
Percentage: 58.16%

Secondary School Leaving Certificate (SSLC)

2021

Sri Vani International CBSE School, Uppupalayam
Percentage: 63.2%

CERTIFICATIONS

- NPTEL - Entrepreneurship Skills
- MongoDB University - Database Fundamentals:
The Document Data Model
- Scaler Academy - Exploratory Data Analysis

ACHIEVEMENTS

- Co-Founder & COO of JUNO Robotics
- Built AI-powered chatbot for customer support
- Completed multiple projects in AI, ML & Web
- Passionate about innovation and problem solving
